Past Employment:

Now retired after 33 years at Fireman's Fund Insurance, CGI Consultants, and Kaiser. Employed in the Information Technology field as Programmer, Analyst, Manager, and Project Manager

"I am an accomplished Information Technologist who synthesizes information quickly and works well under pressure; a team player with excellent communication skills, well organized and focused on achieving results. I would like to continue working with experienced writers and communicators to see the organization achieve its long term goals."
